NAPA CELLARS

WINEMAKER SERIES

ROSÉ OF PINOT NOIR | NAPA VALLEY
VINTAGE 2019

With more than 40 years of winemaking heritage in California's most fabled wine region, Napa Cellars embodies the classic, unmistakable style of Napa Valley. Veteran winemaker Joe Shirley crafts our wines from estate vineyards and coveted partner sites throughout Napa's most revered sub-appellations. Meticulous care in the vineyard, coupled with gentle winemaking techniques, ensures our wines reflect the quality and richness of Napa Valley's terroir.

VINEYARD

Our estate South Napa Vineyard is planted with a blend of Dijon and Pommard clones. This vineyard is head trained and cane pruned with vertical shoot positioning resulting in ideal sun exposure. In this part of Napa Valley, the San Pablo Bay creates a cool, maritime climate. Morning fog rolls across the vines, ushering in the cool breezes ideal for growing delicate, flavorful Pinot Noir. The vines here produce complex, layered fruit that translates to an earthy minerality and exceptional natural acidity in the glass.

WINEMAKING

The grapes for the 2019 Pinot Noir Rosé are handpicked and crushed immediately. After a cold maceration period helps to steer clear of excessive seed tannin extraction, the saignée bleed method is used. The wine is fermented and aged in stainless steel.

WINEMAKER NOTES

The Napa Cellars Rosé showcases aromas of fresh strawberry, watermelon, a nice floral component of roses and vanilla yogurt cream notes. The nose is complemented by delicious flavors of strawberry, raspberry and Rainier cherries. This wine has gentle, well-balanced acidity with a crisp finish and hints lingering fruit. For a delicious meal, pair the Napa Cellars 2019 Pinot Noir Rosé with prosciutto and melon, or toast topped with tapenade, mashed garlic, and salt.

APPELLATION: Napa Valley

COMPOSITION: 100% Pinot Noir

AGING: Stainless Steel

ALCOHOL: 13.8%

T.A.: 0.54 g / 100ml
